SUBJECT: Standing Operating Procedures (SOP) for Tenant Usage

c. Reference AR 405-80 Paragraph 4-33 dated 10 October 1997. Licenses longer than 7 consecutive days or exceeding 30 non-consecutive days in any 12 month period must be administered through NGB.

d. Subsequent to tenant activity, DPRM invoices tenant directly for payment.

4. **RENTAL RATE CATEGORIES.** The following rental rate categories are established:

a. **No Cost Rentals.** Official California Military Department functions.

b. **Standard Fee.** This rate is charged to governmental and nonprofit organizations, and the general public for private functions. Standard fee is a set rate that will reimburse direct utility costs, Identifiable Incremental Costs, and provides additional resources to improve and repair the facility. Identifiable Incremental Costs (IIC) is a set rate that will reimburse costs based upon the square footage of individual buildings rented to the tenants. Identifiable Incremental Costs are costs incurred that is directly related to usage of the supported unit that the installation would not otherwise incur. Examples include: rental placement and pick up of dumpsters and portable latrines; additional refuse pickups, insect spraying, utilities for metered buildings, cost of consumables: targets, training area clean up and damage repair and employee overtime as a result of the use of the base or installation of the using unit.

c. **Commercial Fee.** This fee approximates the fair market value of an armory license.

5. **SERVICES IN KIND.** Many licensees may be able to provide a resource of greater value than fees through an exchange of services. The Post Commander may negotiate an equivalent exchange of the license fee for goods and services needed by the installation. When this option is taken, a detailed written explanation of the services received will be attached to the license agreement. Services in kind agreements must be approved by CAFE well in advance of the event and fully documented.

6. POC for the above is MAJ Kato (805) 238-8498 or Ms. Sharon Ede (805) 238-8216.
